

In this lesson we will discuss how to profit from this trusted site by inviting friends to register it is a marketing site (you only invite your friends and everyone you invite him to take \$ 10 when completing the registration on the site following the following steps:

- 1- This is proof of withdrawal from him on 03 June 2018
- 2- Request to withdraw from the site in the following image by dividing \$ 20

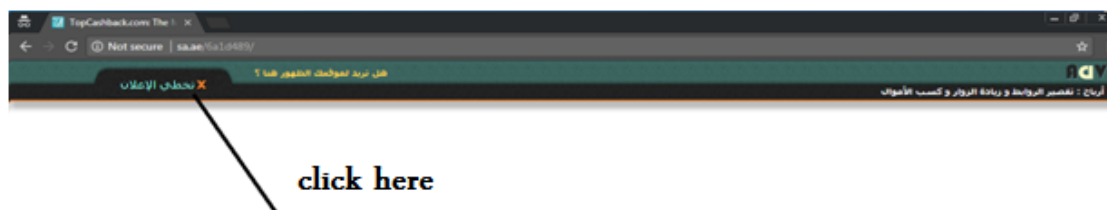

- 3- Verify that the amount reaches the paypal even if the paypal is not activated

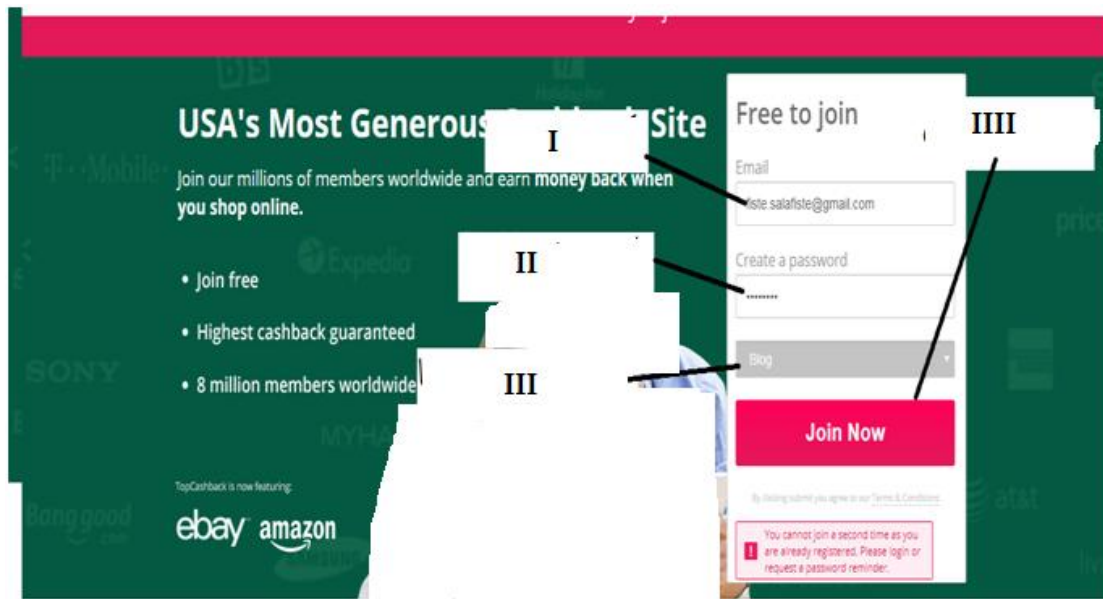

The method of registering on the site is very easy

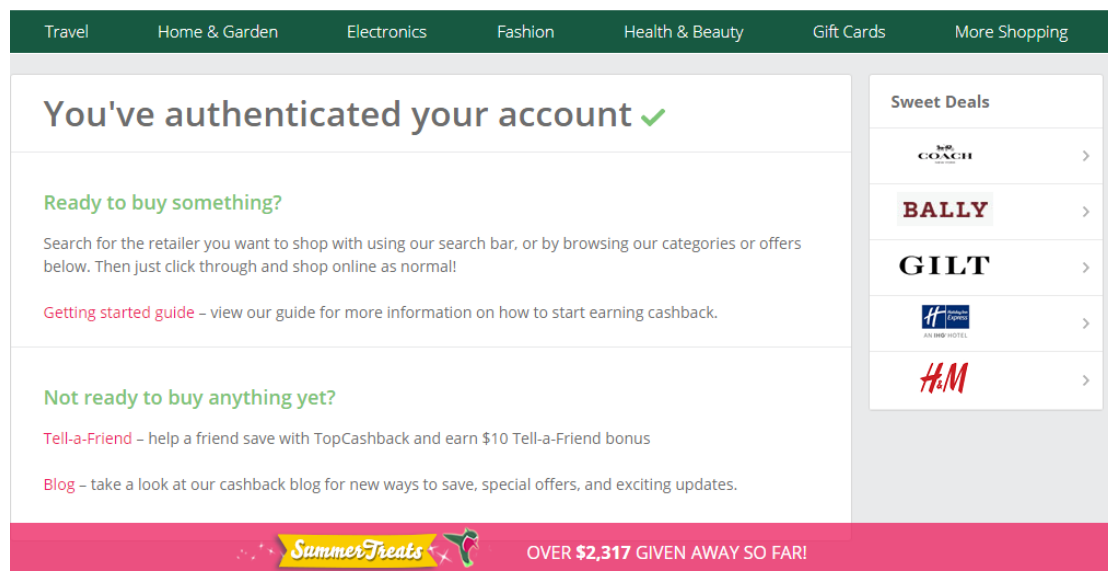

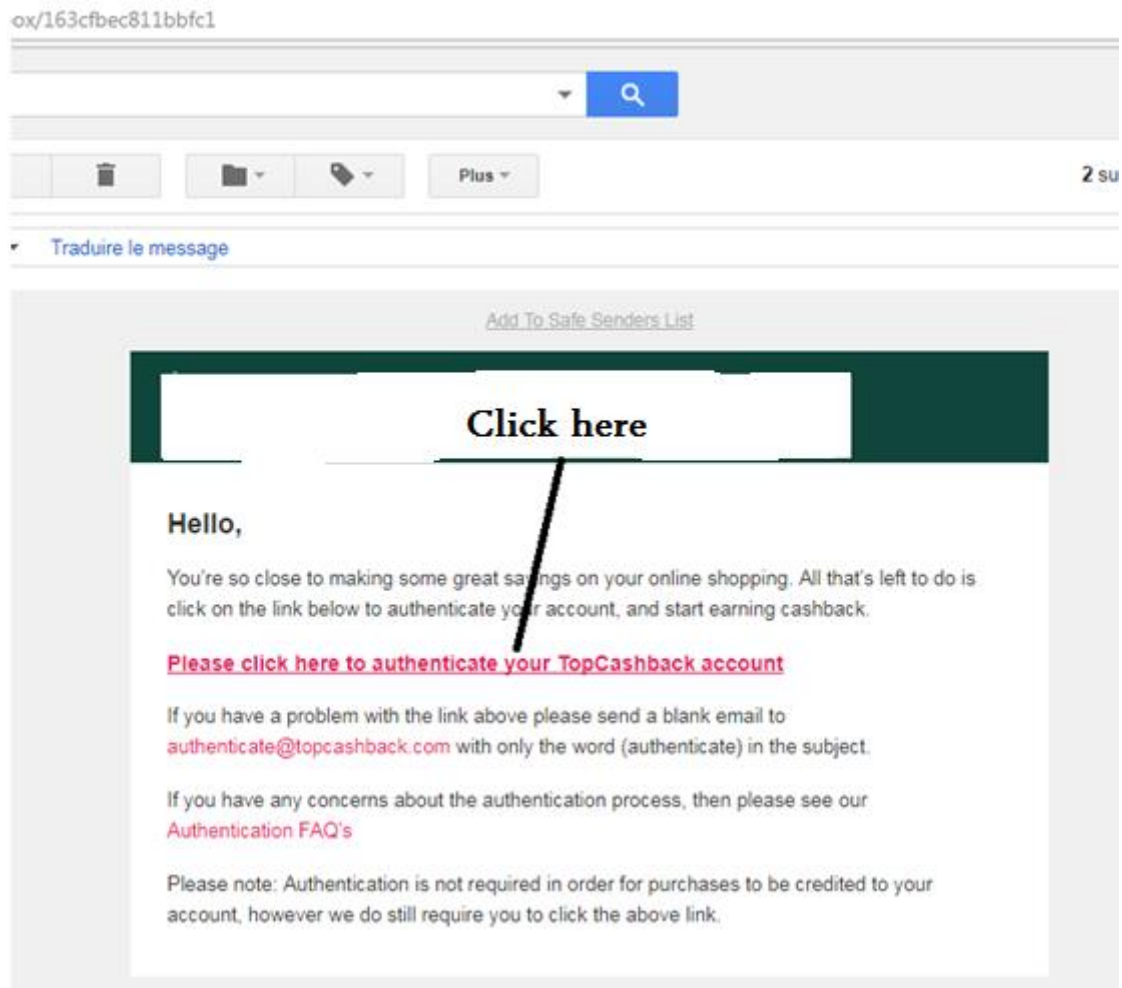

Copy the following link: <http://sa.ae/6a1d489/> You will see a picture click on Skip ad

- 1- After clicking on the ad skip we will go directly to the registration page in the site as it is located in the following picture:

- 2- After the registration process, the site will send the link activation account to the email where we activate it as follows

- 1- Return to the previous page and complete the registration
- 2- Click on Complete your profile as in the picture
