

In this lesson we will discuss how to profit from this trusted site by inviting friends to register it is a marketing site (you only invite your friends and everyone you invite him to take \$ 10 when completing the registration on the site following the following steps:

- 1- This is proof of withdrawal from him on 03 June 2018
- 2- Request to withdraw from the site in the following image by dividing \$ 20

- 3- Verify that the amount reaches the paypal even if the paypal is not activated

The method of registering on the site is very easy

Copy the following link: <http://sa.ae/6a1d489/> You will see a picture click on Skip ad

- 1- After clicking on the ad skip we will go directly to the registration page in the site as it is located in the following picture:

The image shows the registration page of TopCashback, a website that offers cashback on purchases from various retailers. The page has a green background with a white registration form on the right. The main heading is "USA's Most Generous Site" with an annotation "نكتب الاميل هنا" (I write the email here) pointing to the email input field. Below the heading, it says "Join our millions of members worldwide and earn money back when you shop online." and lists three bullet points: "Join free", "Highest cashback guaranteed", and "8 million members worldwide". There is an annotation "نكتب الباسورد هنا" (I write the password here) pointing to the password input field. Below the bullet points, it says "TopCashback is now featuring:" and lists "ebay" and "amazon". There is an annotation "نختار أي شيء من هنا" (I choose anything from here) pointing to the "Blog" dropdown menu. The registration form has a "Free to join" heading and a "Join Now" button. There is an annotation "نضغط على تسجيل" (I click on registration) pointing to the "Join Now" button. At the bottom of the form, there is a message: "You cannot join a second time as you are already registered. Please login or request a password reminder."
